INFORMATION

GENERAL INFO

All kits include what you see in the drawing, as well as installation parts, rubber mats for all shelves and foam for drawers.

System Edström Bilinredningar AB is certified SS-EN ISO 9001:2015, ensuring our commitment to managerial quality and high accuracy in our deliveries.

All materials used by System Edström are 100% recyclable. We are also certified to SS-EN ISO 14001:2015.

REMEMBER

By choosing System Edström for your vehicle, you have taken the first and most important step to making your mobile workshop safe and functional. From here on, it is up to you how safe and functional your working place will be.

As the driver, you have full responsibility if you or anyone else is injured owing to poorly secured cargo. You are also responsible for ensuring the interior is mounted in the safest way possible, whatever your choice of workshop, even when using professional, knowledgeable and experienced installers.

DO NOT exceed the maximum payload of the vehicle.

SECURITY

Our products are safety tested with crash testing to the most stringent standards. All our products are crash tested to ECE 17:07 by Milbrook in England, and also Valutec in France (INRS NS286).

Find out more about our company and products at www.systemedstrom.com.
